INDUSTRY INFORMATION

2026-2027 North Dakota Cattle Directory, Issue 17

Published in January 2026 by the
North Dakota Stockmen's Association
4520 Ottawa St. • Bismarck, ND 58503
(701) 223-2522
nds@ndstockmen.org
www.ndstockmen.org

The Purpose

The North Dakota Cattle Directory is produced by the North Dakota Stockmen's Association once every two years to help promote the excellence of the state's cattle and related live-stock businesses. It is our sincere wish that this publication will help introduce cattle buyers to cattle producers and other agribusinessmen and women while enhancing the awareness of North Dakota's superior genetics across the state, country and world.

Office Staff

EXECUTIVE VICE PRESIDENT:

Julie Ellingson

CHIEF BRAND INSPECTOR:

Corby Ward

COMMUNICATIONS DIRECTOR:

Elizabeth Hasenwinkel

ENVIRONMENTAL SERVICES DIRECTOR:

Scott Ressler

SPECIAL PROJECTS DIRECTOR:

Jade Koski

BRAND RECORDER:

Joan Zimmerman

OFFICE MANAGER:

Rachelle Degner

ADMINISTRATIVE ASSISTANT:

Heather Olheiser

North Dakota Stockmen's Association

For more than 96 years, the North Dakota Stockmen's Association has been protecting the interests of the state's cattle producers. The NDSA is the state's spokesperson for the beef cattle industry – a voice heard through the halls of the State Capitol to the state's farms and ranches and all the way to Washington, D.C. It works 365 days a year for cattle producers. Nearly 40 unpaid officers and directors, as well as a dedicated office and field staff, work on their behalf. For membership information, call (701) 223-2522 or visit www.ndstockmen.org.

Executive Committee

President:

Randy Schmitt, Rugby

Vice President:

Tim Erbele, Streeter

Past President:

Jason Leiseth, Arnegard

Executive Vice

President:

Julie Ellingson, St. Anthony

Directors

District 1

Bryan Ressler, Cooperstown

Ryan Ressler, Cooperstown

Cliff Sanders, Jr., Clifford

Lacey Wirth, Munich

JANE SCHWAGLER

Business Development

In 1965, **United Printing** opened its doors providing valuable, high-quality services for customers throughout the region. We've invested in the latest technologies to stay on top of a constantly evolving printing and mailing market, making it easier and faster to get the results you need. A key component to a successful mailing program is a well maintained mailing list.

United Printing has been offering mailing list cleansing for several years and we pride ourselves on helping you keep your mailing list up-to-date.

Call me today to schedule your catalog printing and mailing. With every catalog order, receive a **FREE 6'x3' full-color vinyl sale banner.**

Real-World Genetics

Maternal Function. Optimized Growth. Customer Service.

Ellingson Badlands 0285

Real-world genetics are the focus at Ellingson Angus. Our breeding program is carefully engineered using large pools of data collected on our cowherd – from growth and carcass to feet, udders and fertility – and coupled with genomics, keen evaluation of conformation and experience garnered from working with our commercial clients.

THE ELLINGSON HERD IS ROOTED IN COWS LIKE THESE.

UU BIG SKY 3124L

44463468 • DOB: 2/10/2023

3124 is our pick from Van Newkirk Herefords annual production sale. His calves are long-bodied, deep-sided, and heavy muscled. They're red to ground and heavily pigmented. They are sale pen favorites. His heifers are capacious in their rib shape and wide from their hooks to the pins while still being feminine on the side profile. We look forward to watching them develop into brood cows.

ADD VALUE

WITH FEEDER CATTLE & REPLACEMENT FEMALE PROGRAMS

North Dakota Hereford Association Officers

Dan Donnelly, *President*

Walter Jones, *Vice President*

Joana Friesz, *Secretary/Treasurer*

P.O. Box 67, New Salem, ND 58563 • (701) 400-8744

Directors: Lillie Basaraba, Logan Behm, Shane Giedd,
Don Neshem, Bill Smith, Mac Stuber and Larissa Tessier

Junior Advisor: Sara Friesz

HEREFORD ADVANTAGE

An industry-changing feeder cattle marketing program through IMI Global to verify and add value to Hereford-influenced feeder cattle with superior genetics, health and management.

MATERNAL ADVANTAGE

A unique marketing program designed to add value to Hereford-sired commercial replacement females with added fertility, feed efficiency, profitability and docility.

PREMIUM RED BALDY

Take advantage of hybrid vigor by maximizing the best traits of Hereford and Red Angus genetics that provide commercial producers with premium replacement females.

IT IS AN EXCITING TIME TO BE SIMMENTAL

Members of the beef industry have a lot to say about **Simmental** and **SimAngus™**. This feedback is invaluable and tells us that **Simmental** is headed in the right direction. **ASA's** focus on profitability through science means that we will continue to put our customers' best interests at the forefront of everything we do.

OLS TUBS - SIMPLY THE BEST.

SUPPLEMENTS FOR EVERY SEASON

At OLS Tubs, we offer a comprehensive line of tubs specifically formulated to **MAXIMIZE PERFORMANCE** and **HERD HEALTH** at every stage of production. We strive to be the industry leader in the low moisture tub business. No other tub company offers the livestock producer so much, for so little. Our customers say that these tubs **MORE THAN PAY FOR THEMSELVES.**

OLS is **"SIMPLY THE BEST"** tub line available today. With chelated trace minerals and pre and probiotics for better gut health and forage utilization, our tubs have more in them, so your livestock get more out of them.

ANNUAL PRODUCTION SALE MARCH 25, 2026 | MARCH 24, 2027

Featuring our largest and deepest offering of yearling bulls, bred to be adaptable, efficient, and profitable additions to your programs.

Now in our 62nd year of breeding Registered Angus cattle, we've stayed true to our original vision — producing cattle that go beyond the numbers. Our focus remains on a maternally superior cow as the cornerstone of a lasting, productive program. She is forage-efficient, sound-structured, problem-free, fertile, productive, and long-lived — bred to be predictable, adaptable, and efficient at converting forage into pounds. Discover the difference in our program and make plans to join us at our upcoming sales.

DON'T BOTCH WITH A BLOTCH

10 TIPS FOR A CLEAR, READABLE BRAND

- 
- 1) Enlist an experienced crew.** Even the best brand can be ruined if the iron is applied incorrectly. Those with the most experience should be the ones handling the irons.
 - 2) Heat irons until they are wood-ash gray.** Irons will turn this color when they are at the optimal temperature for branding.
 - 3) Keep the hides dry.** Branding irons work best on dry hides.
 - 4) Clip the animal before branding when practical.** Clipping the hair where the brand goes before applying the iron will help you yield a clear, crisp brand.
 - 5) Apply the iron only until the hide is buckskin color.** Less exposure will not burn deep enough. Longer exposure will cause the heat to erode the boundaries, blotch and blister. If you notice blisters immediately after you brand, you are holding the iron to the hide too long.
 - 6) If the animal moves before you are done branding, reapply the iron.** Instead of holding the iron in place and smearing the brand, give the animal a moment to relax and try again.
 - 7) Keep the iron clean.** Irons can build up layers of charred hair and debris and compromise the crispness and cleanness of the brand's lines. Periodically cleaning the iron with a wire brush will help.
 - 8) Use the appropriate size iron.** There are no legal requirements dictating the size of branding irons you must use, but the NDSA generally recommends that, for older animals, characters are at least 4 inches in length and have a 3/8-inch face. For calves, a 3-inch-character iron should be adequate, unless it has many intersections and small spaces.
 - 9) If you brand on the hip, keep the brand up high.** When you register a hip brand, you have the right to the whole hip. Avoid placing your brand low on the leg, where it is hard to read and is easily covered.
 - 10) Consider the likelihood of blotching before you register a brand.** Because of their intersecting lines, brands containing Bs, 8s and Rs are most susceptible to blotching because there is so much heat concentrated in a small area. Therefore, select brands carefully. What looks nice on paper may not look so nice on a hide.

Frey Angus Ranch

PROVIDING HERD SIRES THAT MAKE YOUR CATTLE STAND OUT

YON STAND OUT L1148

Reg# 20611959

At Frey Angus Ranch, we have strived to select and breed for cattle that meet our criteria for structural soundness, performance and look. We strive to produce quality in cattle that have the type and look that command attention when they enter the sale ring. Cattle that gain you a reputation and make you proud as well as prosperous.

CATTLE THAT STAND OUT.

Plan to attend our Annual Production Sale!

**1st Sunday in February at 1:00pm CST at the Ranch
located 4.5 miles southwest of Granville, North Dakota**

1219 55th St. N - Granville, North Dakota 58741
